The accessibility plan provides a comprehensive plan for accessibility for persons with disabilities to City facilities, programs, services, activities and events.

The City is seeking input from the community and organizations assisting persons with disabilities. Your feedback will assist in addressing and prioritizing current and future accessibility needs.

Your comments and opinions are important to us and will provide valuable information regarding how the City can better serve persons with disabilities.

Surveys for the public and for organizations are available from the City's ADA/504 Coordinator and on the City's website at <https://www.cityofsolvang.com>.

You can also send an email or call the ADA/504 Coordinator with your comments and suggestions without completing a survey.
